

PDF **Homeless Grant Request**

The McKinney-Vento Homeless Assistance Program offers grants to school districts on a grant cycle of three years. Two Thousand Eight is the final year of the current grant cycle. In March of 2009, we will offer a new RFP and Grant Application for a new three-year cycle that will cover the 2009-10, 2010-11 and 2011-12 school years.

Currently, there are five operating grants in Target Range (Missoula), Helgate Elementary (Missoula), Missoula School District, Helena School District, and the Billings School District.
